5 **A Resolution to Make Comprehensive Unofficial Academic Transcripts Available To Students at**
6 **No Cost**
7

- 8 Whereas; Student records kept in the University’s Integrated Student Information System (ISIS) are
9 somewhat limited to term by term viewing and;
10
11 Whereas; Students who apply for internships, jobs, extracurricular activities, and become involved in
12 various other on-campus activities are sometimes asked to submit an unofficial transcript
13 and;
14
15 Whereas; Unofficial and Official Transcripts cost students two dollars and five dollars respectively
16 and;
17
18 Whereas; Unofficial Transcripts do not require special paper and/or ink which may or may not bear
19 the seal of the University of Arkansas
20
21 Whereas; Printing out each term in ISIS in order to obtain one’s comprehensive academic transcript
22 could require an unnecessarily high number of individual sheets of paper for each term
23 enrolled, which is not only costly to students, but to our environment and;
24
25 Whereas; Other SEC Schools (and some non-SEC Schools) either do not charge students for
26 Unofficial Transcripts or have made viewing the comprehensive academic record viewable
27 on one screen (page) through their own integrated student record system and;
28
29 Whereas; The University of Arkansas is committed to serving its students in the most convenient,
30 cost-effective way;
31

32 Be It Therefore Resolved: By passing this resolution, The ASG President and all other necessary
33 Executives have conversations with representatives from ISIS and the
34 Registrar’s Office to determine the feasibility of either eliminating the two-
35 dollar fee for Unofficial Transcripts or enabling a feature in ISIS where
36 students can access a comprehensive academic transcript that will list
37 pertinent academic information by semester all on one page.
38

39 Be It Further Resolved: That the more cost effective measure be implemented in order to increase
40 convenience for students and reduce unnecessary expenditures of paper and
41 money.
